ORO BRIDGES PNG

C25

LOCATION	Papua New Guinea - Oro Province
CASA ROLE	Sub-Contractor
CLIENT	Canstruct Pty Ltd
CONTRACT VALUE	\$3,200,000
COMPLETION DATE	Current

Casa was contracted to provide Drafting, Pylon Installation and Steel Erection for Kumusi, Eroro, Girua and Ambogo bridges at Oro Province in PNG.

Casa supplied robust equipment to handle the harsh remote environment including two x 100 ton cranes, 12 ton forklift and boom lifts to complete the erection works.

Casa was responsive in challenges and extended piles to 10.2m in areas to acquire adequate foundation.

Casa's erecting teams were lead by Peter Casa (Founding Director) providing the experience to safely manage difficult situations and exceed the projects programmed timelines.
